CentriSet™ Hub System Warranty

Motor Wheel warrants to the original owner of a vehicle equipped with Motor Wheel CentriSet™ Hub assemblies, to replace any component that becomes unserviceable due to defect in materials or workmanship, for a period of five years or 500,000 miles from date of vehicle purchase or initial service, whichever comes first. Motor Wheel will cover the cost to replace or repair the hub or necessary components including the cost of labor at reasonable published rates. Use of Motor Wheel approved hub caps is required for this warranty to apply.

This warranty shall not apply if failure is caused by lack of required inspection or maintenance, improper installation or assembly including re-installation if hub is removed by owner, overloading, abuse, or off-road operation, or damage due to accident.

Parts for which a warranty is claimed must, upon request, be returned to Motor Wheel freight prepaid for evaluation. If warranty payment is authorized, the cost of shipping will be reimbursed. Motor Wheel reserves the right to examine the vehicle associated with any warranty claim, together with its operation and maintenance records.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, APPLICATION OR USE. IN NO EVENT SHALL MOTOR WHEEL BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES.
